FIFTH

5 senses. 5 concepts.

From breakfast to drinks. And from a quick coffee to go to a business dinner. All with a side of (live) music.

You don't hear it often, nowadays?

A DJ, playing vinyl. From jazz to funk and from dance to house. Find yourself in awe at The Bar, when chairs and tables get pushed to the side to make room to dance. Or let us surprise you at The Main. Where you can listen to various live acts while enjoying a delicious dinner.

Ready for the night of your life?

We'd love to welcome you to the musical heart of Fifth: The Stage. Where you can enjoy live music, film and cabaret.

Food is music to the body

Music

is food to the heart.
